

PUBLIC NOTICE

CUSTOMS NOTICE NO. 02 OF 2020

LIST OF PRODUCTS ON THE CUSTOMS REFERENCING DATABASE

Zambia Revenue Authority has since 2018 been electronically controlling the valuation of selected products for the purposes of levying duties and taxes at importation. The annex to this notice contains the selected products that already have Tariff Specification Codes (TSCs).

Before any of the products on the list can be declared, importers through their appointed agents are urged to do the following:

1. Check if such a product has a Tariff Specification Code (TSC) prior to the importation of the goods to avoid any delays at the border; and
2. Request for a TSC(s), in the event that the product has no TSC and the request should be submitted through the respective ports of entry with the following data elements:
 - (i) Country of origin
 - (ii) Country of export
 - (iii) Brand name
 - (iv) Commercial description
 - (v) Packaging specifications
